This matter is before the Court on plaintiff's motion for leave to amend amended complaint (Filing No. 91). This is the second amended complaint plaintiff seeks to file. Plaintiff's motion advises the Court that the State defendants and the defendant-intervenor oppose said motion. However, no such objections were filed. Fed.R.Civ.P. 15(a)(2) requires that leave of court is required but further states: "The Court should freely give leave when justice so requires."

This case is in its early stages, and there is no good reason to deny plaintiff's motion. Accordingly,

IT IS ORDERED that plaintiff's motion is granted; plaintiff shall have until April 10, 2008, to file its amended complaint; defendants and defendant-intervenor shall have until April 25, 2008, to answer or otherwise respond to plaintiff's second amended complaint.

DATED this 1st day of Aprill, 2008.

BY THE COURT:
